Outside Business Activities

Aside from her work with Jacobi Capital Management, Helena is licensed and approved as an independent insurance agent to sell whole life, term life, and universal life insurances, as well as long term care insurance, fixed annuities and disability insurance. This activity generates additional compensation for Helena. Any commissions or compensation from these activities are separate from investment advisory fees charged through JCM. These outside business activities account for less than 15% of her time per year.

Other than what is discussed above, Helena is not actively engaged in any other investment-related business or occupation, nor does she have an application pending to register as a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA.

The receipt of additional compensation from any outside insurance sales may give Helena incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time an insurance application is made, identifying the nature of the transaction or relationship, the role to be played by Helena, and any compensation (e.g., commissions, 12b-1 fees) to be paid by the client and/or received by Helena.

Additionally, other than what is discussed above, she is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

Additional Compensation

Helena receives no economic benefit, including sales awards, other prizes, and any bonus that is based, even in part, on the number or amount of sales, client referrals, or new accounts, for providing advisory services.
