Outside Business Activities

Aside from his work with Jacobi Capital Management, John maintains status as a Registered Representative with LPL Financial Corp. This activity may generate additional compensation for him. Any commissions or compensation from this activity is separate from any investment advisory fees charged through JCM. This outside business activity consists of less than 50% of his time per year.

Other than what is discussed above, John is not actively engaged in any other investment-related business or occupation, nor does he have an application pending to register as a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA.

The receipt of additional compensation from LPL may give John incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time a brokerage account is opened through LPL, identifying the nature of the transaction or relationship, the role to be played by John, and any compensation (e.g., commissions, 12b-1 fees) to be paid by the client and/or received by John.

Additionally, other than what is discussed above, he is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

Additional Compensation

John receives no economic benefit, including sales awards, other prizes, and any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts, for providing advisory services.
