## **Educational Background and Business Experience**

Kathleen A. Johnson was born in 1954. She has no formal degree from coursework taken after high school. Kathleen joined Jacobi Capital Management as a Wealth Advisor in September, 2022. She is also licensed as a Registered Representative with LPL Financial Corp, since September, 2022. Prior thereto, Kathleen worked as a Financial Advisor with MML Investors from March, 2017 until September, 2022.

## **Disciplinary Information**

Jacobi Capital Management LLC is required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each associated person providing investment advice.

There are no disclosures to mention for Kathleen.

## **Outside Business Activities**

Aside from her work with Jacobi Capital Management, Kathleen maintains status as a Registered Representative with LPL Financial Corp. Kathleen is also licensed and approved as an independent insurance agent to sell whole life, term life, and universal life insurances, as well as long term care insurance, group annuities and fixed annuities. These activities may generate additional compensation for Kathleen. Any commissions or compensation from these activities are separate from any investment advisory fees charged through JCM. These outside business activities consist of less than 50% of her time per year.

Other than what is discussed above, Kathleen is not actively engaged in any other investment-related business or occupation, nor does she have an application pending to register as a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA.

The receipt of additional compensation from LPL or any outside insurance sales may give Kathleen incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time a brokerage account is opened through LPL or an insurance application is made identifying the nature of the transaction or relationship, the role to be played by Kathleen, and any compensation (e.g., commissions, 12b-1 fees) to be paid by the client and/or received by Kathleen.

Additionally, other than what is discussed above, she is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

## **Additional Compensation**

Kathleen receives no economic benefit, including sales awards, other prizes, and any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts, for providing advisory services.

In connection with the transition of JCM's clients to the LPL Financial custodial platform and Kathleen's association as a registered representative of LPL Financial, Kathleen will receive financial transition support from LPL Financial. LPL Financial will provide various benefits and payments to Kathleen to assist with the costs associated with transitioning her business to the LPL Financial platform (collectively referred to as "Transition Assistance"). The proceeds of such Transition Assistance payments are to be used for a variety of purposes, including but not necessarily limited to, offsetting ACAT fees, technology set-up fees, marketing and mailing costs, stationery and licensure transfer fees associated with moving accounts.

Such payments are generally based on the size of her business established at her prior firm. Her receipt of Transition Assistance creates conflicts of interest relating to her advisory business because it creates a financial incentive to recommend that her clients transfer to, or maintain their accounts with, LPL Financial. In certain instances, the receipt of such benefits is dependent on maintaining her clients' assets with LPL Financial for a certain period of time.

JCM attempts to mitigate these conflicts of interest by evaluating and recommending that clients use LPL Financial's services based on the benefits that such services provide to our clients, rather than the Transition Assistance earned by any particular associated persons JCM considers. LPL Financial's quality execution services are provided to you at competitive prices. We also consider LPL Financial's reputation, execution capabilities, commission rates and responsiveness to our clients and our firm when recommending or requiring that clients maintain accounts with LPL Financial. In recognition of this, you may pay higher commissions and/or trading costs than those that may be available elsewhere. However, clients should be aware of this conflict and take it into consideration in making a decision whether to custody their assets in a brokerage account at LPL Financial.

Please refer to the Other Business Activities section above for disclosure on Kathleen's receipt of additional compensation as a result of her activities as a registered representative of LPL Financial.
