Disciplinary Information

Jacobi Capital Management LLC is required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each associated person providing investment advice.

There are no disclosures to mention for Ryan.

Outside Business Activities

Aside from his work with Jacobi Capital Management, Ryan maintains status as a Registered Representative with LPL Financial Corp. Ryan is also licensed and approved as an independent insurance agent to sell whole life, term life, and universal life insurances, as well as long term care insurance, group annuities and fixed annuities. He may also conduct insurance business through Premiere Brokerage Services, Inc. Any commissions or compensation from this activity are separate from any investment advisory fees charged through JCM. These outside business activities consist of less than 10% of his time per year.

Other than what is discussed above, Ryan is not actively engaged in any other investment-related business or occupation, nor does he have an application pending to register as a broker-dealer, futures commission merchant ("FCM"), commodity pool operator ("CPO"), commodity trading advisor ("CTA"), or an associated person of an FCM, CPO, or CTA.

The receipt of additional compensation from LPL, Premiere Brokerage Services, Inc, or any outside insurance sales may give Ryan incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time a brokerage account is opened through LPL, an insurance application is made, or an application is submitted through Premiere Brokerage Services, Inc., identifying the nature of the transaction or relationship, the role to be played by Ryan, and any compensation (e.g., commissions, 12b-1 fees) to be paid by the client and/or received by Ryan.

Additionally, other than what is discussed above, he is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

Additional Compensation

Ryan receives no economic benefit, including sales awards, other prizes, and any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts, for providing advisory services.

In connection with the transition of JCM's clients to the LPL Financial custodial platform and Ryan's association as a registered representative of LPL Financial, Ryan will receive financial transition support from LPL Financial. LPL Financial will provide various benefits and payments to Ryan (in the form of a five-year forgivable loan) to assist with the costs associated with transitioning his business to the LPL Financial platform (collectively referred to as "Transition Assistance"). The proceeds of such Transition Assistance payments are to be used for a variety of purposes, including but not necessarily limited to, offsetting ACAT fees, technology set-up fees, marketing and mailing costs, stationery and licensure transfer fees associated with moving accounts.

Such payments are generally based on the size of his business established at his prior firm. His receipt of Transition Assistance creates conflicts of interest relating to his advisory business because it creates a financial incentive to recommend that his clients transfer to, or maintain their accounts with, LPL Financial. In certain instances, the receipt of such benefits is dependent on maintaining his clients' assets with LPL Financial for a certain period of time.

JCM attempts to mitigate these conflicts of interest by evaluating and recommending that clients use LPL Financial's services based on the benefits that such services provide to our clients, rather than the Transition Assistance earned by any particular associated persons JCM considers. LPL Financial's quality execution services are provided to you at competitive prices. We also consider LPL Financial's reputation, execution capabilities, commission rates and responsiveness to our clients and our firm when recommending or requiring that clients maintain accounts with LPL Financial. In recognition of this, you may pay higher commissions and/or trading costs than those that may be available elsewhere. However, clients should be aware of this conflict and take it into consideration in making a decision whether to custody their assets in a brokerage account at LPL Financial.

Please refer to the Other Business Activities section above for disclosure on Ryan's receipt of additional compensation as a result of his activities as a registered representative of LPL Financial.
