Outside Business Activities

Aside from his work with Jacobi Capital Management, Tim is also approved to conduct business as an independent insurance agent to sell whole life, term life, and universal life insurances, as well as long term care insurance, group life, fixed annuities, disability, dental and health insurance products, as well as non-variable insurance products. He may also sell these insurance offerings through his continued Agency affiliation with Mass Mutual Life Insurance Company. The receipt of additional compensation any outside insurance sales may give Tim incentive to recommend investment products based on the compensation received, rather than on your investment needs. To address this, disclosure is made to the client at the time an insurance application is made, identifying the nature of the transaction or relationship, the role to be played by Tim, and any compensation (e.g., commissions) to be paid by the client and/or received by Tim.

Additionally, other than what is discussed above, he is not actively engaged in any other business activity or activities that provide a substantial source of income or involve a substantial amount of time.

Additional Compensation
